No School
- **Thurs.-Fri.,**
Nov. 24-25
No School,
Thanksgiving
Break

Hello Parents,

Welcome to November! Here's the latest from the 3rd-5th grade class.

Thank You! A HUGE thank you goes out to all parents for helping your child with his/her Dress Us as a Word Day costume! The day was a huge success. We had a wonderful time sharing our words and their meanings with others. Pictures from Word Day and Halloween are available on our class website.

Library: Our monthly trip to the library is one week from today, Thursday, November 10th. Please return any library books with your child by this date.

3rd-4th Science: In science, we have started a new unit about matter. Matter is all around us, even in the air! We have been discussing the tools that scientists use to measure, and have practiced measuring milliliters of liquid, temperature, length, height, and weight of objects.

3rd-5th Writing: In writing, we recently finished "publishing" our Secret Shortcut stories. We have been sharing them in our classroom library so that our classmates can read our stories. Look for them to be coming home in the near future! We have started a new writing project, Jumble Stories, which are created by randomly selecting characters, settings, times, and events from a list.

End of the Quarter: It's hard to believe that tomorrow, Friday, is already the end of the first quarter! Report cards will be going home next Thursday, and Parent Teacher conferences will be the following week. As always, feel free to contact me with any question or concerns.

Have a wonderful weekend!

In Christ,
Miss Bernau
